Thomas Jäger joins Spigraph Group as VP Sales for DACH area

Oberhausen (DE) – September 11, 2019 Spigraph is pleased to announce Thomas Jäger as the new Vice President Sales for Spigraph in the DACH area. Thomas will help the company, which already is one of the leading European Value Added distributors in the capture and digital transformation market, to grow and strengthen its position in Germany, Austria and Switzerland.

Thomas also brings more than 20 years of professional experience in sales and sales management positions. Thomas will be working from Spigraph's office in Oberhausen.

"I am pleased to welcome Thomas in this very important role," says Peter de Boer, General Manager Northern Europe & DACH of Spigraph Group. "He brings a lot of experience with several positions at leading companies and we know his knowledge of the digitally transform business process will help us strengthen our position in the market."

About Spigraph

[Spigraph](http://www.spigraph.com) is one of the leading providers of document capture and processing solutions. In addition to its portfolio of document scanners from the world's leading manufacturers, Spigraph supports its customers in automating business processes and generating operational efficiencies through digital transformation. As a value-added-distributor, Spigraph offers a full range of services, from consulting and implementation services to scanner maintenance and support. Headquartered in St-Quentin-Fallavier (France) and with sales and service organizations across fifteen countries in Europe and Africa, Spigraph serves more than 6,000 authorized partners and 40,000 customers in over 40 countries.
